

# CARIBBEAN CRUISE

## NOV 15 - 22, 2020

Departing from Tampa, FL

### What's Included

- 22 hours of world-renowned, results-oriented Bassology curriculum covering music theory and its application for any instrument, including soloing, improvising, melody, harmony, rhythmic subdivisions, time signatures, dexterity, and ear training to get you out of a rut and moving towards your goals
- 2 pre-cruise Bassology private lessons with Anthony Wellington to help you prepare for the Bassology at Sea classes
- Small class size to give you personal access to one of the most in-demand yet approachable music educators in the world who welcomes, motivates, and challenges players of all levels
- Price of guest is included so you can bring a friend or family member to enjoy the beautiful Holland American Veendam ship and all her amenities and amazing ports of call
- Cruise amenities include pool, spa, fitness center, culinary and video editing classes, formal and informal dining, twice daily stateroom service, theater shows, live music, and clubs
- Leave the cruise not just with knowledge and "homework" that will continue to develop your musicianship for a lifetime, but friendships and memories that last a lifetime, too!
